Severe Thunderstorm Warning
Severe

2025-08-02T19:30:00-06:00

Severe Thunderstorm Warning issued August 2 at 7:20PM MDT until August 2 at 7:30PM MDT by NWS Pueblo CO
The storm which prompted the warning has weakened below severe limits, and no longer poses an immediate threat to life or property. Therefore, the warning will be allowed to expire. However, small hail, gusty winds and heavy rain are still possible with this thunderstorm. A Severe Thunderstorm Watch remains in effect until 900 PM MDT for southeastern Colorado.
